

# Wastewater Heat Exchanger

[WWW.BLUECAN.EU/GREENCAN](http://WWW.BLUECAN.EU/GREENCAN)

---

**The reference for wastewater  
heat exchangers.**

**Pre-heat your process water up  
to 60°C and save drastically on  
energy costs.**

**Special design for the Tank  
Cleaning Industry**

**Energy Saving | Low Maintenance | ROI - <2 years**
